

How to Claim & Verify Your Business Listing in Google Maps

1. Perform a search on <http://maps.google.com/maps> for: Company Name + City
 - a. If already listed, click on your listing, and then click "more" in the bubble to "Edit details".

- b. If your company is not listed already go back to <http://maps.google.com/maps> and click on "Put your business on Google Maps".

2. On the edit page make sure your information is correct, or update it, and click "Claim your business".

Are you the business owner?

- **Claim your business** and make it easier for customers to find.
- Update your listing with photos, videos, and more.
- Learn how many people have viewed your listing.

Additional editing tools

- Interact with other editors like yourself in our [discussion forums](#).
- Uncover more places to edit by [searching for *](#).
- View the [edit history](#) of this page

Have a problem that can't be edited?

3. Fill out as much info as possible, adding photos, videos, keywords in description, appropriate categories, etc.

Basic Information

Please note that changing your address or business name will require additional verification via mail or phone.

4. Validate the listing either via phone or postcard.

How would you like to validate your listing?

For your protection, we need to verify the information you've just given us. This can be done in one of 2 ways:

-  **By phone**
We'll call you at this phone number
-  **By postcard (2-3 weeks)**
We'll send you a postcard in the mail to this address
